

M/Y BEYOND CAPRICORN

Explorer dock only

LOA 24 m

Gross Tonnage 233

Refit/Rebuilt :

Hull Type :

Displacement

Type of Stabilizers:

Beam 7.85 m

Shipyard Bering

Flag Australia

Hull Materials Steel

Exterior Design :

SABDES Yacht Design

Maximum Crew
Capacity 6

Draft 2.45 m

Launch Year 2016

Deck Materials
composite Steel

Range: 6 000 nm

Maximum overnight
guest capacity 11

M/Y BEYOND CAPRICORN is a true explorer of the seas, designed for adventures without limits. Built by Bering Yachts to an innovative design by Sabdes Yacht Design, the 23.95-meter BEYOND CAPRICORN embodies the spirit of exploration and adventure.

This maritime jewel is much more than just a yacht; it's a travel companion that opens doors to vast, long voyages. Its steel hull, combined with its ingenious design, ensures unrivalled stability even in the toughest ocean conditions.

At first glance, the powerful silhouette of the BEYOND CAPRICORN catches the eye. Its imposing bow and swept-back fairing testify to its robustness,

while its forward-facing deck offers an immersive sailing experience. With a design that's both functional and elegant, it perfectly embodies the alliance between performance and style.

But what really sets the BEYOND CAPRICORN apart is its ability to sail far and long. With an impressive range of over 6,000 miles at a cruising speed of 9 knots, this little explorer is ready to challenge distant horizons. Its top speed of 12 knots guarantees fast, efficient travel, while its reliable propulsion system ensures optimum performance at all times.
