

AMENDMENT TO SAILING INSTRUCTIONS

n. 3

AUGUST 20, 2026

1 WEATHER CONDITIONS EXPECTED ON AUGUST 21, 2026 AND TEMPORARY DISCONTINUANCE OF RACING

On Friday August 21, 2026, bad weather conditions, characterized by strong wind up to 60-80 knots are expected between Bocche di Bonifacio and Montecarlo. Weather models preview these conditions between 0500 and 1300 CEST.

Change to the SI:

After SI 14.6, add

14.7 [NP] – [SP] Between 0500 and 1300 CEST on August 21, 2026, the race has to be considered temporary discontinued (not abandoned or postponed as per RRS Definitions) and SI 14 will apply.

In that time window all boats has to be considered as not racing and they **MUST** be in a safe position and condition, properly sheltered from wind and waves. The OA is not responsible for the choice of the shelter and for making it available.

All boats **MUST** inform RC via WhatsApp (+39 334 9173811 – the text shall include the name of the boat or the sail number) in the moment they leave the route, not later than 0500 to find a shelter and in the moment they restart, not before than 1300. Boats have to do their best to restart from the same point where they decided to leave the route. WA system time only will be considered.

For the purpose of SI 14.7, boat's elapsed time will not continue to accrue and the time between the two WhatsApp messages will be deducted from the real time, before calculate the corrected time in the results.

Time limit as par SI 18 will not change.

The Race Director
Giancarlo Crevatin
